

Youth Soccer Camp

Angels with Attitude is a soccer camp where your child will improve his or her soccer skills while having fun! Our qualified coaches will help your child learn basic soccer techniques. Our clinics are held on Friday and Sunday evenings. Each Friday session will include warm ups, introductions of new skills, practice time, and a fun scrimmage at the end! On Sundays, soccer players will have the opportunity to show off their new skills in a game setting. The Angels with Attitude clinic runs for 6 weeks. Each soccer player will be provided with an Angels with Attitude T-shirt.
